

SAFETY STUDIES – 1005

The safety minor is designed to provide the basic preparation needed by individuals for entry into the public and private health and safety professions. Courses within the minor provide an opportunity for both general and specialized preparation in safety, risk assessment, and public policy to meet a variety of student interests and needs.

REQUIRED COURSES: (9 credits)

SAF 305 Fundamentals of Safety 3 credits

SAF 333 Occupational Safety 3 credits

SAF 340 Community Safety 3 credits

ELECTIVES: (9 credits-select three of the following)

SAF 310 Personal Safety and First Aid

SAF 320 Product Safety

SAF 360 Industrial Hygiene

SAF 431 Organization, Administration, and Supervision Of Industrial Accident Prevention Programs

SAF 450 Motor Fleet Safety Management

TOTAL REQUIRED CREDITS: (18 credits)

ENTRY TO MINOR: The Safety minor is open to all matriculated undergraduate students who are in good academic standing (2.00 or better GPA).

TRANSFER CREDIT: A maximum of three credits of transfer credit will be permitted.
