

**Motion for Adoption of the Buffalo State College
Academic Calendar, 2008 - 2012**

Introduced to the BSC College Senate on March 14, 2008 by the Instruction & Research Committee

Whereas Buffalo State College Senate has developed an agreeable arrangement of semester start and end dates that facilitates good pedagogy, student learning, and effective administration of various college functions,

Whereas an approved calendar for an additional year may facilitate college planning functions,

Whereas the national (and unionized) holidays for the academic year 2011 - 2012 do not significantly differ for the holidays in 2008 - 2011,

Therefore:

BE IT RESOLVED that the Senate recommend the following academic calendars for 2008 - 2009 (final), 2009 - 2010 (final), 2010 - 2011 (proposed tentative), 2011 - 2012 (tentative).
