

SENATOR DIANE MC FARLAND

STATEMENT FOR STANDING COMMITTEE ELECTIONS 2009

SEEKING POSITION OF VICE CHAIR OF STUDENT WELFARE COMMITTEE

It was my pleasure to serve as the faculty advisor to the USG for four years and I have found that I miss working with the governance issues that arise with the students. I believe the joint committee that works between the College Senate and the USG is one of the important linkages between the students and the college. Because of this I am seeking the position as Vice Chair of the Student Welfare committee, for 2009-2010.
