STUDENT DIRECTORY WITHHOLDING FORM

Complete **ONLY** if you wish personal information withheld from the 2009-10 student directory.

A student directory is published annually in the interest of building community and fostering communication between and among students. This year the directory will be electronic. It will be on the Web; it will not be accessible beyond Buffalo State.

Under the Family Educational Rights and Privacy Act of 1974 [PL 93-380], Buffalo State College has designated several categories as public or directory information (name, address, telephone). Such information may be disclosed by the institution for any purpose, at its discretion.

This form allows you, the student, to select information that you wish to have withheld from the student directory.

The option is yours. Failure on the part of any student to request withholding of information from the directory by the due date, (September 15) indicates individual approval for release.
