## Glossary

### **Continuing Students**

Undergraduate – an undergraduate student registered in the current term who was enrolled at BUFFALO STATE during the previous term. In the case of the Fall term, “previous term” shall mean either the previous Summer or Spring term; e.g., those undergraduates students in the Fall 2000 who were enrolled at BUFFALO STATE during Summer 2000 or Spring 2000 are continuing students.

Graduate – a graduate student registered in the current term who was enrolled at BUFFALO STATE as a GRADUATE STUDENT during the previous term. In the case of the Fall term, “previous term” shall mean either the previous Summer or Spring term; e.g., those graduate students in the Fall 2000 who were enrolled at BUFFALO STATE during Summer 2000 or Spring 2000 are continuing students.

### **FTE**

Full-time Equivalent Workload is a unit of measure usually derived from student credit hours. One FTE workload is equivalent to 15 student credit hours in undergraduate courses, or 12 student credit hours in graduate courses. Certificate of Advance Study are calculated as follows: One FTE for full-time Advance Graduate Students, 0.75 FTE for part-time Advance Graduate Students.

### **Matriculated**

A student enrolled at the Buffalo State and is considered by the institution to be currently pursuing a specific type of degree (such as bachelors, masters, etc...) and who has **or** has not yet chosen a major field of study.

### **Non-Matriculated**

A student enrolled at Buffalo State to take certain credit courses and is not considered by the institution to be currently pursuing a specific type of degree (such as bachelors, masters, etc...).

### **New Students**

#### **Freshman**

A student who has not been previously enrolled at any college or university and who is enrolled for the first time at BUFFALO STATE this term. A student whose previous post-secondary education was only at a non collegiate institution such as a business school or technical institute is a first-time student, unless BUFFALO STATE expects to give college credit for such activities in which case the student is a transfer student.

#### **Transfer**

An undergraduate student who is enrolled at your institution for the first time in the current term, but who has attended other colleges or universities prior to the current term. The actual number of credit hours he/she is allowed to transfer is not relevant to the distinction between a transfer and a first-time student, even if no credits were ultimately transferable.

#### **Graduate**

A graduate student, whose first enrollment as a graduate student at your institution, occurs during the current term.

### **Returning Students**

Undergraduate – an undergraduate student registered in the current term who has been enrolled at BUFFALO STATE but was **not** enrolled in the previous term. In the case of the Fall term, “previous term” shall include both the previous Summer or Spring term; e.g., an undergraduate student in the Fall 2000 is a returning student if he/she was previously enrolled at BUFFALO STATE but in neither the Spring 2000 nor Summer 2000 terms.

Graduate – a graduate student registered in the current term who has been enrolled at BUFFALO STATE as a GRADUATE student but was **not** enrolled as a GRADUATE student in the previous term. In the case of the Fall term, “previous term” shall include both the previous Summer or Spring term; e.g., a graduate student in the Fall 2000 is a returning student, if he/she was previously enrolled as a GRADUATE student at BUFFALO STATE but in neither the Spring 2000 nor Summer 2000 terms.

### **Underrepresented Minority Students**

include African-American, Hispanic, and Native-American.
