# Instructional Resources... How *we* can help *you*.

## Computer Graphics BC122

We can assist you in producing a wide range of instructional visuals.

Our services include:

- Design and production of posters, brochures, newsletters, etc.
- Lamination/mounting on foam core of posters, images, or banners
- Label design for CDs/DVDs

We also provide training and assistance in the use of the following programs: Adobe software (Photoshop, Illustrator, InDesign, & Acrobat), Microsoft PowerPoint, and Macromedia software (Dreamweaver & Flash)

Contact Kaylene Waite at ext. 6676.

*\*See Resources link below for poster and PowerPoint templates, tips and hints.*

## Electronic Learning BC113

We provide instructional design support for the development of web-based, web-enhanced, and hybrid courses. Training is available for ANGEL (the college's course management system) and Turnitin (plagiarism detection software). Assistance with integrating emerging technologies into classroom-based courses is also available.

Contact Meghan Pereira at ext. 3877.

## Television Engineering BC133

We are responsible for the design, development, installation and maintenance of all television related equipment and systems at Buffalo State. Additionally, we assist departments with consultation on technical problems.

Technical support is provided for television production activities and also audio production and narration tracks for video and multimedia production.

We can also record broadcast programming off air and satellite as long as we abide by guidelines established under Section 107 of the U.S. Copyright Law.

Contact Dave Ross or Paul Smith at ext. 4921.

## Photographic Services BC124

We can assist you by providing a photographer for an event/function or a studio portrait, please call to schedule. Please allow 2 weeks notice for location photography.

Lab Services we provide are:

- Digital copy work - from flat work and 3 dimensional pieces
- 35mm film scanning - from 35mm slides or negatives
- Digital photographic prints - color and B & W

Contact Bruce Fox at ext. 4221.

*\*See Proofing Gallery link below to view your event/function photos.*

## Multimedia Production BC112 & 114

We can assist you with all video/multimedia needs for instruction or professional use. The newest method of using audio and video is over the web (i.e. - vodcasts and podcasts). We are able to assist with both. Video can be recorded in our 3-camera studio or in the field (i.e. your classroom). We can assist with everything from a simple lecture taping to a full length documentary. Your final product can be put on the web in ANGEL, uploaded as a vod- or podcast, mastered to a DVD or videotape, or a combination of all of the above.

Other services we provide are:

- Conversion of VHS tapes to DVD or digital files
- Assist faculty by helping them incorporate video or video multimedia into their instructional curriculum
- Offer video technical consultation assistance

Contact Pat Trinkley or Ken Giangreco at ext. 4922.

## Classroom Technology Support

We provide consultation to faculty and staff regarding classroom technology installation and repair.

Contact Michael Jurewicz at ext. 4054.

If you are scheduled to teach in one of the college's 40+ smart classrooms, please make an appointment for training. After training, you will be provided with a signed key card which must be taken to the Campus Services & Facilities Office in order to receive a key for the equipment cabinet.

Contact Todd Benzin at ext. 4538 or Tim Sager at ext. 6821

Contact Classroom Support at ext. 6670.

We will repair all college-owned AV equipment subject to availability of parts. However, items under manufacturer's warranty should be returned to the manufacturer.

Contact Paul Bauer at ext. 6931.
