

Uear Colleagues,

The GLBT Center, servicing Gay, Lesbian, Transgender and Bi-Sexual students, is still searching for a Graduate Assistant for this Fall.

Efforts to recruit at local universities and on-campus have, at this time, been unsuccessful. A position of this nature requires recruitment of candidates who minimally possess some sensitivities to GLBT issues, preferably a member of the GLBT population. However, if candidates from the GLBT population cannot be found, "Allies" or well-rounded students with a desire to gain expertise in this area may be considered a potential match to the position, considering their other qualifications.

I would greatly appreciate it if anyone could forward me names of graduate students that they know who might be interested in interviewing for the position. The position description is attached, or available upon request from me directly; it is part-time, committed to approximately 20 hours a week.

Thank you. Your attention and help with this is greatly appreciated!

Sincerely,

Michael D'Arcangelo  
Director, Center for Campus Life  
RIT
