To assure your understanding of important policies affecting the Recruitment Process and the New Member Education process, you are requested to read and verify by email submission the following statement. I understand that:

1. Except for illness, emergency or class, I must participate in all recruitment functions and attend invitational functions which I have accepted. Late registration or late arrivals may diminish possibilities of New Membership.
2. Although Panhellenic does not require a specific grade point average to participate in the recruitment week process, each of the women's fraternity chapters has a minimum grade point average for the New Member process. Buffalo State College policy states that: 2.0 minimum on a 4.0 scale. All participants must be full time students at Buffalo State College.
3. I agree to let the Greek Advisor verify my grade point average with Buffalo State College.
4. Alcohol and illegal drugs are prohibited from use during Membership Recruitment.
5. The college is not responsible for the loss, theft of, or damage to personal property of students.
6. I understand that I am encouraged to attend the maximum number of functions that I can each day of membership recruitment in order to maximize my chances of becoming a New Member. I realize that sororities are notified of my absences from any function during membership recruitment. Skipping functions to which I have accepted an invitation will be look upon with disfavor by all chapters.
7. I understand that the information in this application will be made available to active and alumnae members of sororities at Buffalo State College.
8. I reserve the right to become a New Member of no fraternity if, in the end of the recruitment week period, that seems best to me; but if I am offered a bid to one of the fraternities that I have listed on my preference card following the preference function round and do not accept, then I am ineligible to join any other National Panhellenic Conference fraternity at Buffalo State College for one calendar year.

By submitting this form I verify that I have read and understand the above regulations and agree to abide by the rules throughout recruitment and I understand that infractions or violations of these regulations could result in termination of membership recruitment privileges.
